## what we do/believe

UrRepublic is an AUDIO SHOW, info-packed WEBSITE and MAGAZINE. UrRepublic believes that informing the masses about current events should be expressed in an entertaining and upbeat way, educating everyone about libertarianism:  
**more freedom, less government.**

Front Street is **WHERE WE LIVE**. Morals, values, and political beliefs are not hidden. **LGBT?** It's your life. Live it. **Taxes?** Where does all your money go anyway? **Small business?** Does gov't really need to license you? Forget the ordinary, and welcome to independent commentary that is not only educational and informative; URREPUBLIC IS ENTERTAINING, STIMULATING, AND A HIGH-POWERED ALTERNATIVE TO 'THE BORING'.

## concept

Autry, the host of UrRepublic, provides a frank, no-holds barred alternative to the empty, monotonous political chatter of the day. Autry is leading the next political generation by thinking far deeper than headlines, exposing facts, offering thoughtful insight and developing real solutions to political and social problems. On UrRepublic, all ideas and opinions are welcome, but beware:  
**Mediocrity will not be tolerated.**

## what you hear/read

Since 2013, Autry has engaged audiences with energetic, fast-paced, thought-provoking radio filled with stimulating conversation threaded together by a captivating blend/ selection of music. The website and magazine are **specially designed to stimulate the audience** with unique topics, captivating guests, and authentic dialogue. Users gain insight through Pruitt's truth-rendering style.

We are a smart media source with opinions that  
**commercial media often ignore.**

**WE ARE THE OVERLOOKED, MISUNDERSTOOD, AND MISREPRESENTED.**  
UrRepublic is libertarian thought, differently.
